

building better futures

Fiscal Year 2024 Impact Report

We kicked off an exciting new chapter by breaking ground on our first pocket neighborhood development, Pathway at Heritage Park in Olathe.

1,799

individuals were provided with affordable housing solutions in FY24 compared to 838 in FY23, resulting in a **115% growth in our programming.**

Donya and her children moved into their brand new home in February.

1,052

children were impacted by our work gaining the **stability** and **security** needed to grow and thrive in a **nurturing environment.**

We neared the end of our work in the Wendell Phillips Neighborhood where we have built 20 homes since 2020.

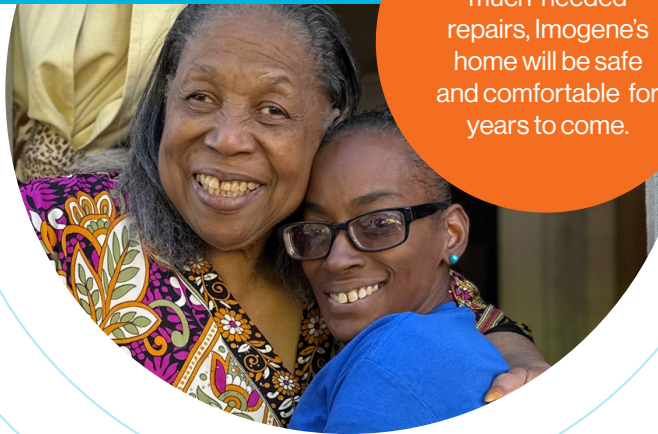

399

home repair projects were completed for **131 households**, providing critical repairs to maintain **safe** and **healthy homes** for local homeowners.

Thanks to some much-needed repairs, Imogene's home will be safe and comfortable for years to come.

19

families completed financial education and became **preapproved** to purchase a home on the **open market**.

Barrie Smith, who has dedicated more than 10,000 volunteer hours, received the Pritchard Legacy Award.

4,188

volunteers invested **39,842** hours to create **affordable homeownership** opportunities.

together we build
