

Mortgage Lender Agreement

Habitat for Humanity of Kansas City (HabitatKC) envisions a community where everyone has a safe, decent and affordable place to call home. It is important to us that our mortgage lending partners share this vision.

HabitatKC has been funded by HealthForward for this cycle of down payment assistance (DPA). Each approved homebuyer will be awarded \$10,000 that can be used towards down payment and closing cost with no second deed needed.

Terms & Conditions:

- HabitatKC has created marketing toolkit for Mortgage Lenders to use a template to insert their information in designated box on HabitatKC’s flyer.
- It is prohibited to use other marketing materials outside of the ones provided by HabitatKC.
- The Homebuyer’s income and debt must be accurately computed in accordance with state and federal mortgage regulations. It’s important that the calculations are done without any exceptions or adjustments to ensure qualification for the DPA program. Any deviation could lead to Lender disqualification from further program participation.
- Mortgage Company must meet with HabitatKC’s Senior Development Manager & Mortgage Manager for an introductory call regarding partnership expansion through volunteerism, community education, and donation.
- Mortgage Lender cannot explicitly nor implicitly guarantee DPA funding to a Homebuyer. This includes buyers referred to the Lender by HabitatKC.
